SAFETY FACTS

## A Safe, Well-Run Airport

# 125,000

### Operations Annually

Whiteman handles a high volume of flights with a proven safety track record.

### CRITICAL PUBLIC SAFETY

Whiteman Airport serves as a critical base for L.A. County Fire Department air operations, including:

- Wildfire supervision
- Search and rescue
- Medical response
- Regional coverage across Southern California
- 24/7 capability

*Helps protect homes, families, and communities across the region.*

OUR COMMUNITY SUPPORTS WHITEMAN

## Neighbors Support a Safe, Modern Whiteman Airport

*Nearby residents and neighborhood groups, including the following neighborhood councils, support Whiteman Airport and want to see modernization efforts and safety improvements.*
