SAFETY FACTS

A Safe, Well-Run Airport

125,000 Operations Annually

Whiteman handles a high volume of flights with a proven safety track record.

Extremely Low Accident Rate

At this level of activity, the safety record is exceptional — backed by LA County Public Works data.

Context Matters

Every incident is taken seriously. Data must be understood in context, not used to distort the public record.

COMMUNITY SUPPORT

Local Support Is Growing

Six neighborhood councils have voted to support Whiteman Airport:

- Pacoima, Sun Valley and Sunland-Tujunga
- Mission Hills, Sylmar and Kagel Canyon

Residents want a safe, modern airport that serves the region.
